University in Brief

PSU Structure

Polytechnic Institute
- Faculty of Computer Engineering
- Faculty of Industrial Technologies, Power Engineering and Transport
- Faculty of Information Technologies and Electronics

Institute of Teacher Education
- Faculty of History, Languages and Literature
- Faculty of Physics, Mathematics and Natural Sciences
- Faculty of Pedagogy, Psychology and Social Sciences

Medical Institute
- Faculty of General Medicine
- Faculty of Dentistry

Institute of Sport and Physical Education

Institute of Economics and Administration

Institute of Law

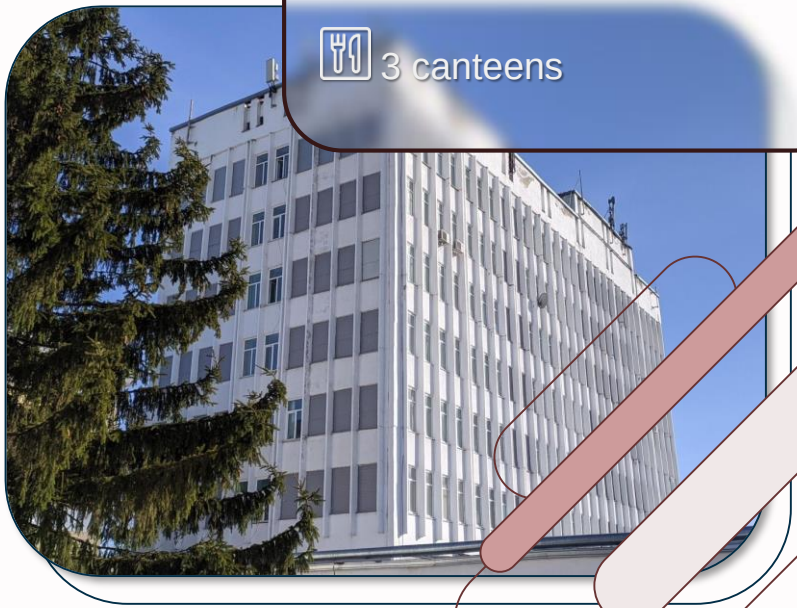
International Office

University in Brief

Infrastructure

- 3 event halls
- 4 conference halls

- 18 academic buildings
- research library
- 3 canteens



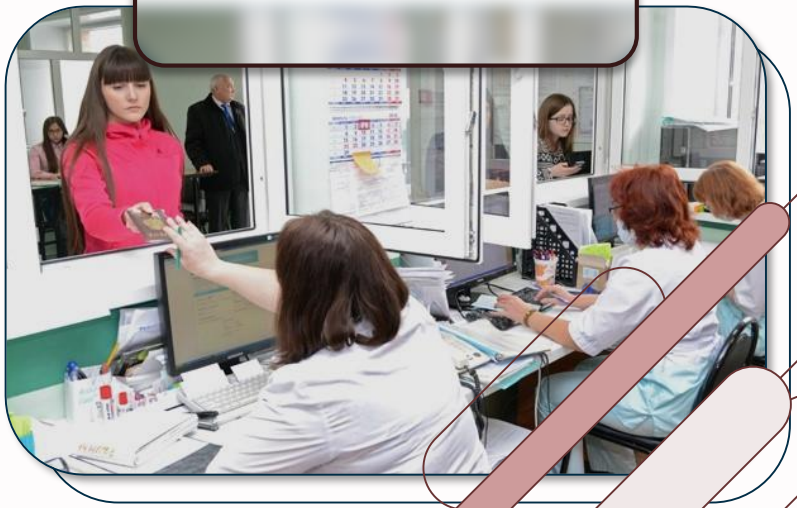
University in Brief

Infrastructure

botanical garden

biological station

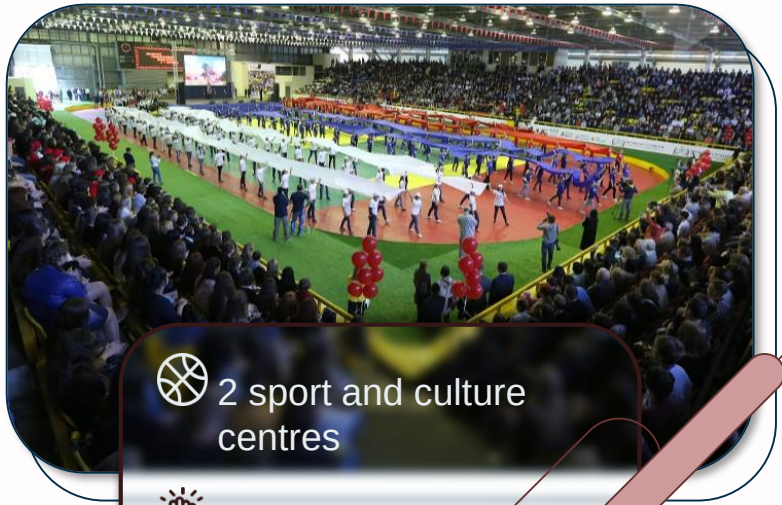
clinical medical centre



University in Brief

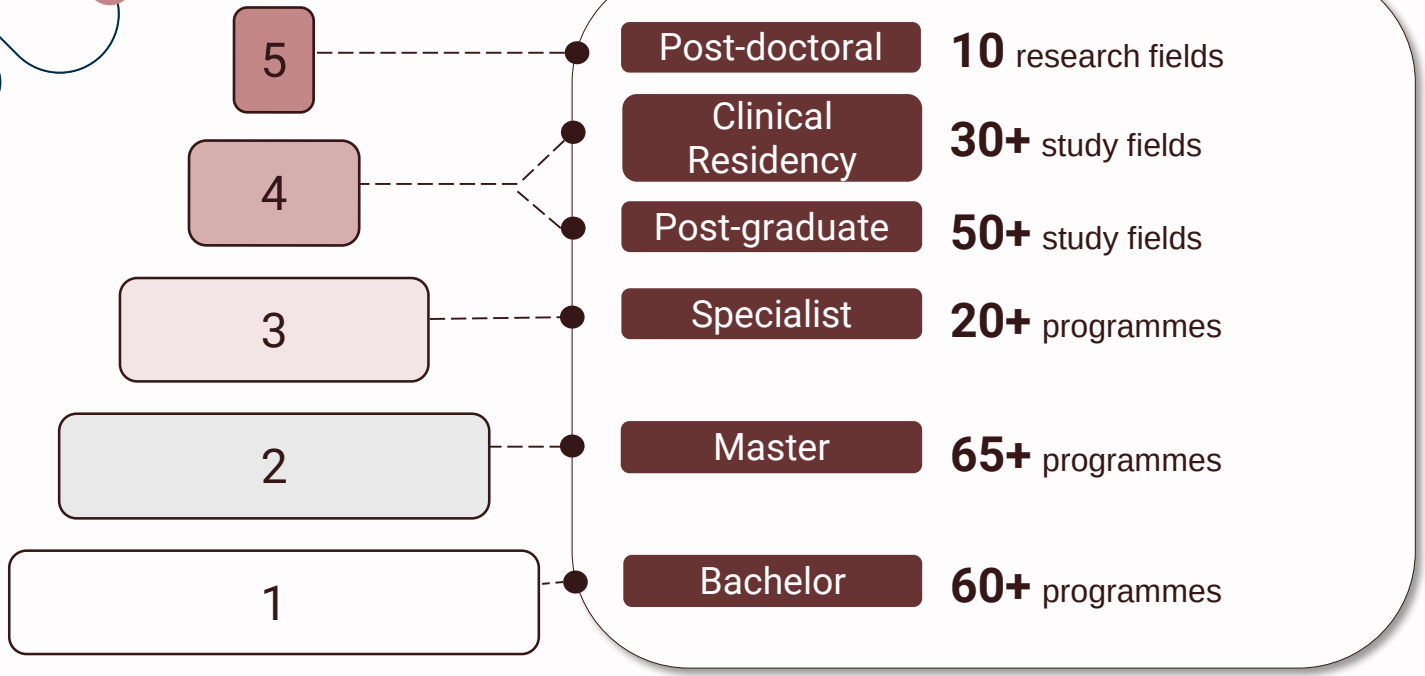
Infrastructure

- swimming pool
- tennis court



- 2 sport and culture centres
- 6 sports halls
- 2 skiing halls

Degree Programmes



Degree Programmes

Study Fields

01 Physics and Mathematics

02 Engineering and Technology

03 Natural Sciences

04 Medicine and Pharmacy

05 Education and Teaching

06 Humanities and Social Sciences

07 Economics and Management

08 Law and Justice

Degree Programmes

Degree Programmes in English

Engineering and Technology

- 09.03.01 Informatics and Computer Engineering (Applied Artificial Intelligence Bachelor's degree programme)
- 13.03.02 Power and Electrical Engineering (Power Systems and Networks Bachelor's degree programme)

Humanities and Social Sciences

- 37.03.01 Psychology (Social Psychology of Personality Bachelor's degree programme)
- 45.04.01 Philology (Languages. Culture. Media Master's degree programme)

Medicine and Pharmacy

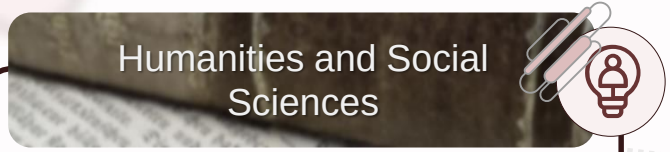
- 31.05.01 General Medicine (Specialist's degree programme)
- 31.05.03 Dentistry (Specialist's degree programme)
- 33.05.01 Pharmacy (Specialist's degree programme)

Economics and Management

- 38.04.01 Economics (International Economy and Business Master's degree programme)

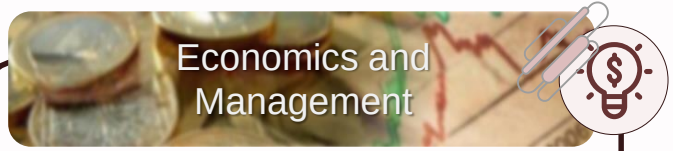
Degree Programmes

Double Degree & Joint Degree Programmes



44.03.01 Teacher Training (Music Bachelor's degree programme)

Gannan Normal University, China

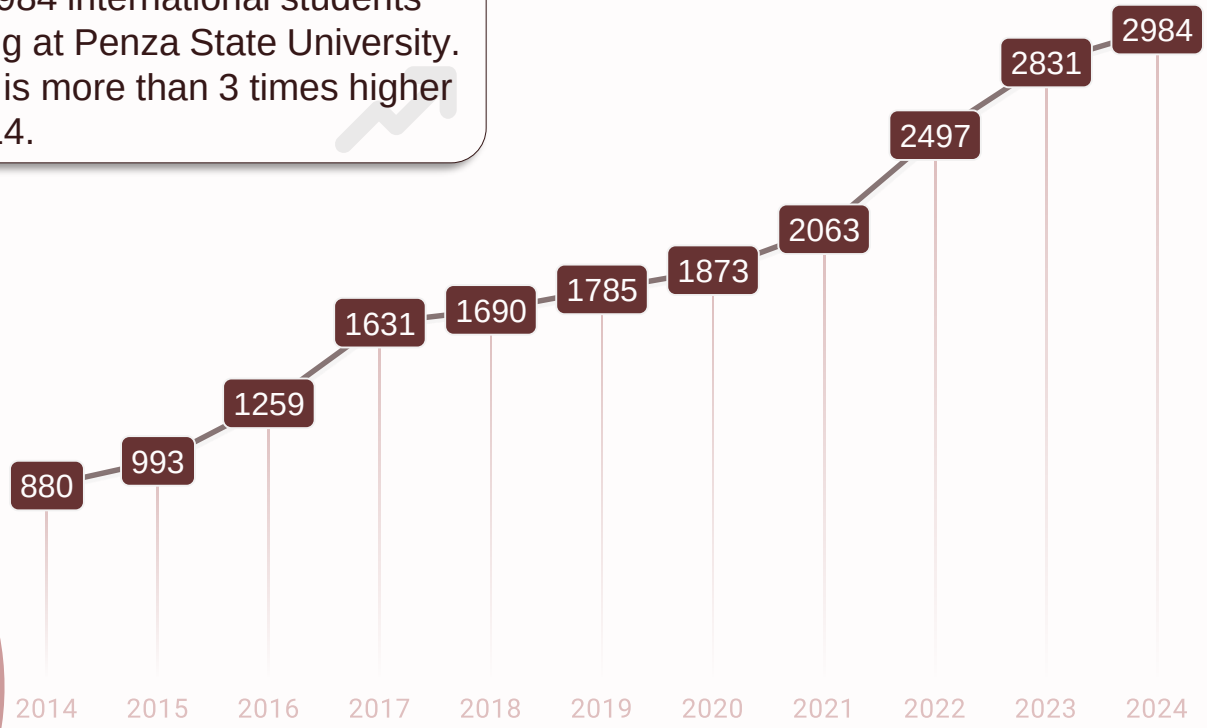


38.04.01 Economics (International Economy and Business Master's degree programme)

Lanzhou City University, China

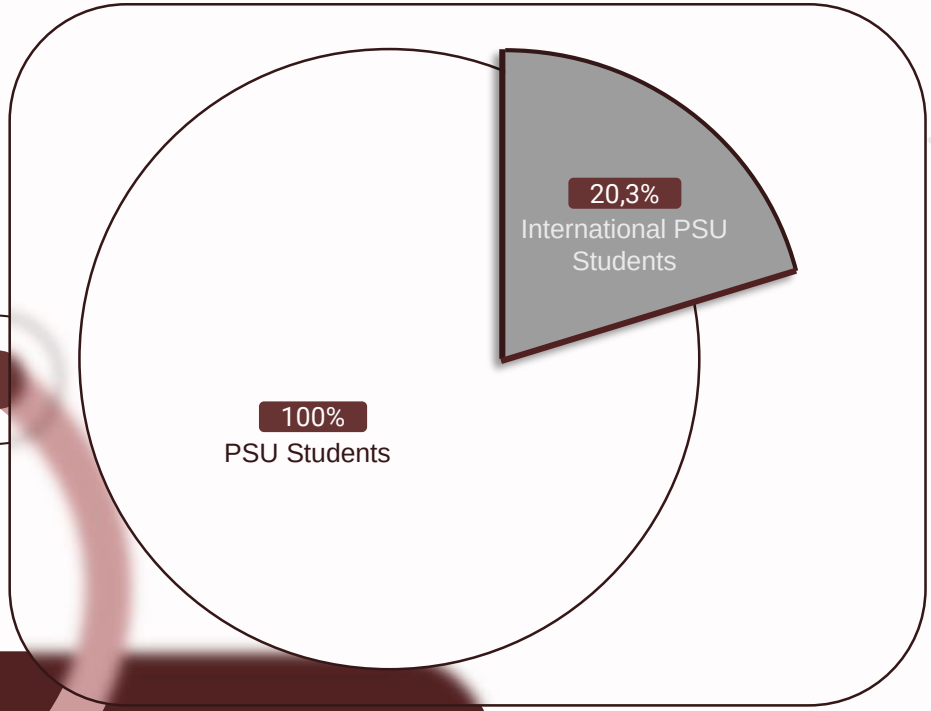
Internationalisation

In 2024, 2,984 international students are studying at Penza State University. This figure is more than 3 times higher than in 2014.



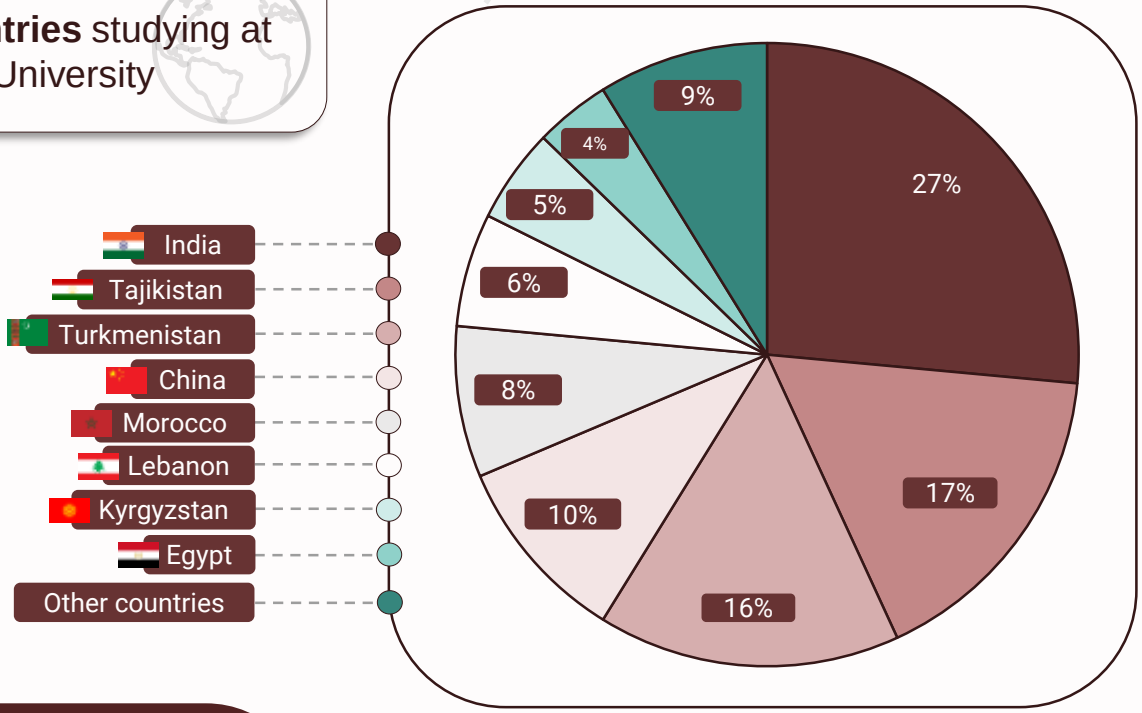
Internationalisation

2,984 international students = 20,3% of the total number of PSU students.



Internationalisation

There are international students from **46 countries** studying at Penza State University



Internationalisation

Social adaptation of international students

Special assistance

Financial assistance is provided to international students in difficult financial situation

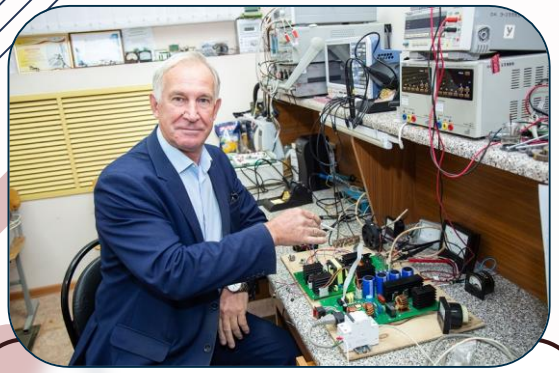
Research and Innovation

- 200+ research initiatives annually
- 90+ research conferences annually
- 12 thesis committees

- 110+ student research teams
- 40+ research groups
- 14 peer reviewed journals

Research and Innovation

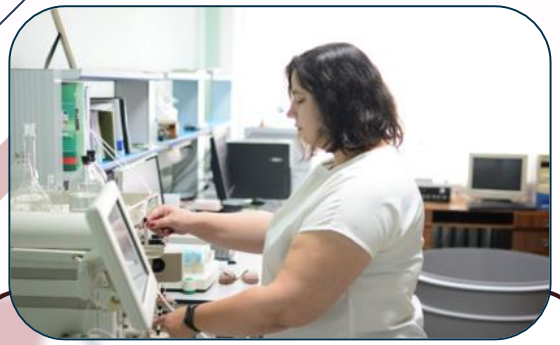


- Nanomaterials
- New materials
- Radio engineering
- Instrument engineering
- Applied mechanics
- Robotics
- Power engineering
- Electromagnetic radiation

- Ecology
- Biology
- Biochemistry
- Physics, mathematics
- Geography

- Digital data processing
- Cybernetics
- Data measuring
- Computation systems
- Supercomputer simulation

Research and Innovation



Biomedicine

Medical cybernetics

Cardiology

Endoprosthetics

Pharmacy

Physical training

Economy and society

Marketing

Management

Finance

Journalism

Applied linguistics

History and archeology

Psychology

Social studies

Research and Innovation

PSU research teams actively apply for and receive grants from various foundations
