The interactive training course
"The European Union and its social law"

https://international.pnzgu.ru/
international_cooperation/
international_projects/eusosel

Content

(1) History establishing the European Union (2 hours)

(2) Institutional basis and legal frameworks of the European Union. Information sources about the European Union (2 hours)

(3) Underlying documents of European Union social law (2 hours)

(4) Final quiz about the European Union and its social law (2 hours)

Learning outcomes

On successful completion of the module, schoolchildren should be able to:

• discuss the institutional basis and legal frameworks of the EU

• illustrate EU social policy and its components

• employ information sources about the EU

• interpret the EU and its social law

• independently search for information about the EU and its social policy

An application to join the interactive training course should be sent until 10 December 2022 at e-mail ann-alexandrova@mail.ru (please indicate your full name, contact phone number, e-mail)
