WE INVITE EVERYONE TO PARTICIPATE IN THE DISCUSSION  
WITHIN THE ROUNDTABLE DEBATE ON THE PROBLEMS AND PROSPECTS  
IN THE DEVELOPMENT OF ADVOCACY

The roundtable debate is held  
within the student conference “Start in Science”

Content:

The roundtable debate aims to explore the best advocacy practices in the European Union and in the Russian Federation in terms of providing legal aid, to analyse the problems in ensuring the right to legal aid in the Russian Federation, to discuss the possibilities of integrating the European practices in order to improve the legal frameworks of advocacy in the Russian Federation.

Experts:

The roundtable debate brings together the researchers, legal professionals, public administrators of the Ministry of Justice of the Penza Region, members of the Penza Region Branch of the Association of Lawyers, of Russia and members of the Association of Young Lawyers of the Penza Region.

Venue:

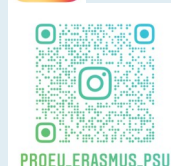

Penza State University, building 1, conference hall 217

Registration:
