# Overview of Penza State University

International office: [intoffice@pnzgu.ru](mailto:intoffice@pnzgu.ru)

# Content

- Penza Region and Penza city in brief
- University structure
- Education
- Internationalisation
- Research and innovation

# Penza Region

- Founded in 1663
- 650 km to the south-east of Moscow
- Population of 1 246 609 persons (Penza Region)  
and 525 000 persons (Penza city)
- Large industry and trade centre in the Volga Region

# Penza city

Penza Art Gallery

The First Settler

Sputnik Embankment

# Facts and figures

Largest hub for education and research in the Penza Region

- 21 000 students
- 2497 international students
- 1274 HE teachers

Teacher Training Institute founded in 1939  
Industrial Institute established in 1943  
University status obtained in 1993

# Walkable campus

Total area of campus – 280 000 m<sup>2</sup>

Convenient campus location

# Infrastructure

- 18 academic buildings
- 7 residence halls for 3500 individuals
- 4 conference halls and 3 event halls
- 3 canteens
- research library
- botanical garden

# Infrastructure

- clinical medical centre
- 2 sport and culture stadiums
- 6 sports halls
- 2 skiing centres
- swimming pool
- tennis court

# University structure

## Polytechnic Institute

- Faculty of Computer Engineering
- Faculty of Industrial Technologies, Power Engineering and Transport
- Faculty of Information Technologies and Electronics

## Institute of Teacher Education

- Faculty of History, Languages and Literature
- Faculty of Pedagogy, Psychology and Social Sciences
- Faculty of Physics, Mathematics and Natural Sciences

## Medical Institute

- Faculty of General Medicine
- Faculty of Dentistry

## Institute of Sport and Physical Training

## Institute of Economics and Administration

## Institute of Law

# Degree programmes

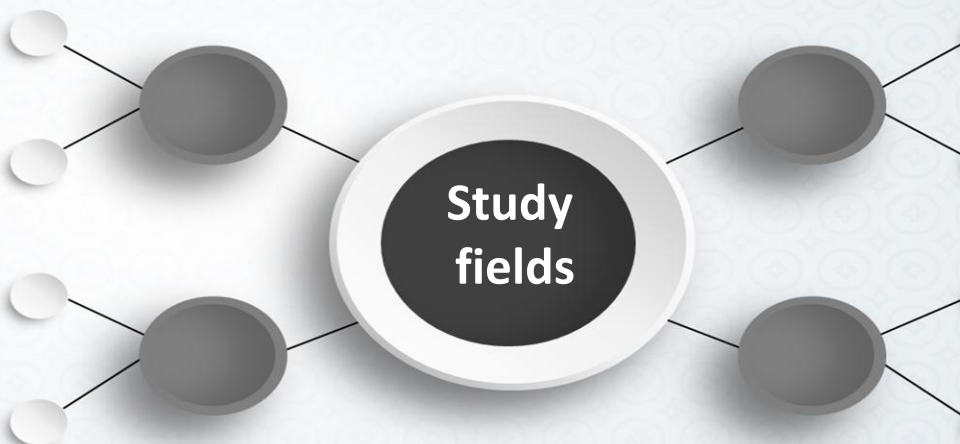

**01** Physics and  
Mathematics

**02** Engineering and  
Technology

**03** Natural  
Sciences

**04** Medicine and  
Pharmacy

**05** Education,  
Teaching

**06** Humanities,  
Social Sciences

**07** Economics,  
Management

**08** Law and  
Justice

# Degree programmes

## Bachelor

more than 100 study fields

01

02

## Specialist

more than 20 study fields

03

04

## Post-doctoral

4 research fields

05

## Master

more than 50 study fields

## Post-graduate

more than 20 study fields

# Degree programmes in English

31.05.01

- **General Medicine**  
(Specialist's degree programme)

31.05.03

- **Dentistry**  
(Specialist's degree programme)

33.05.01

- **Pharmacy**  
(Specialist's degree programme)

38.04.01

- **Economics** (Master's degree programme  
"International Economy and Business")

45.04.01

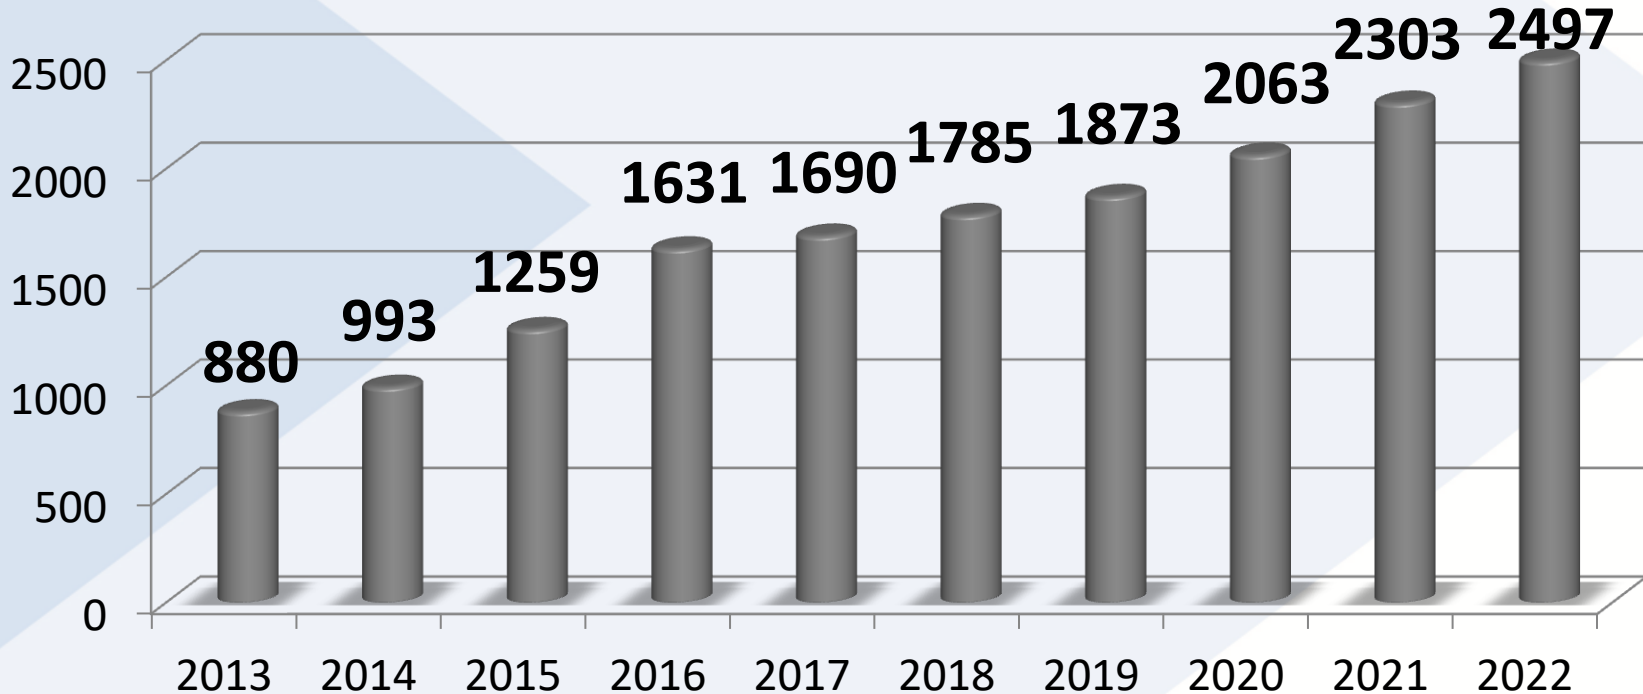

- **Philology** (Master's degree programme  
"Languages. Culture. Media")

# Internationalisation of education

2497 students from 47 countries

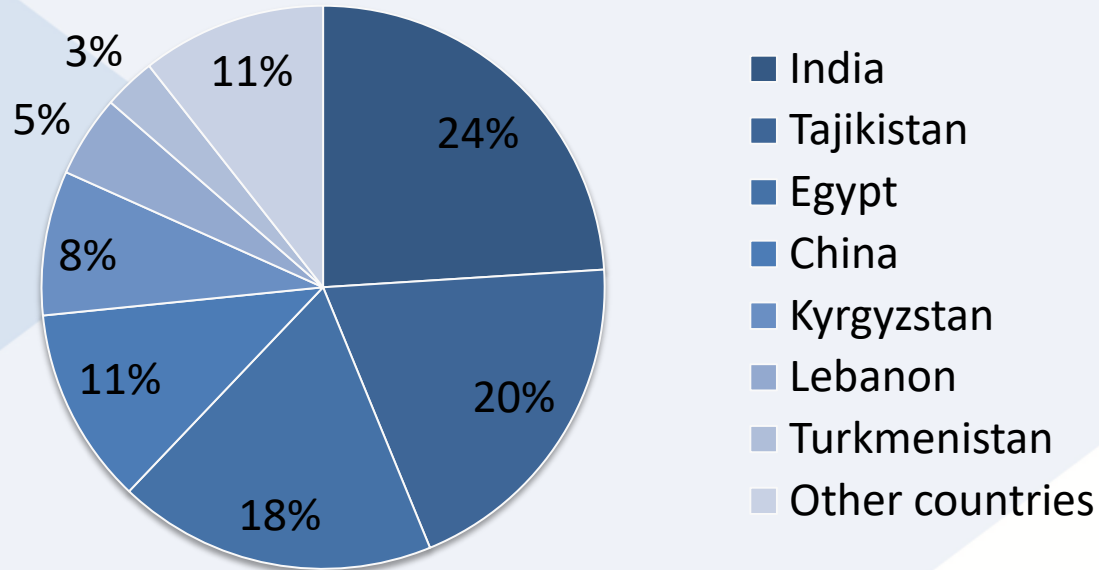

# Internationalisation of education

2497 students from 47 countries

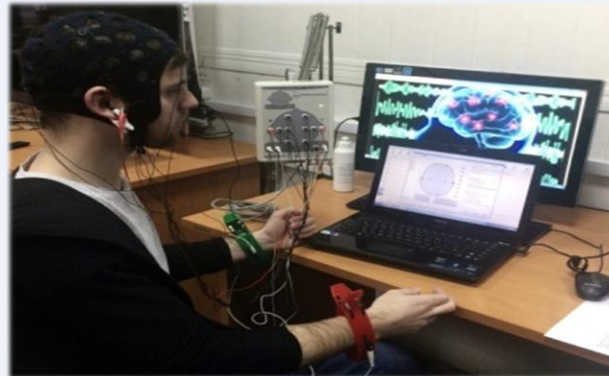

# Research and innovation

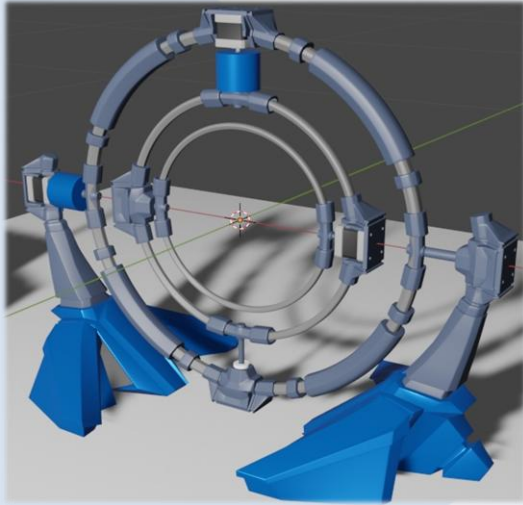

- 200+ research initiatives annually
- 90+ research conferences annually
- 110+ student research teams
- 40+ research groups
- 10 thesis committees
- 14 peer reviewed journals

# Research

- Economy and society
- Marketing
- Management
- Finance

- Nanomaterials
- New materials
- Radio engineering
- Instrument engineering
- Applied mechanics
- Robotics
- Power engineering
- Electromagnetic radiation

- Ecology
- Biology
- Biochemistry
- Physics, mathematics
- Geography

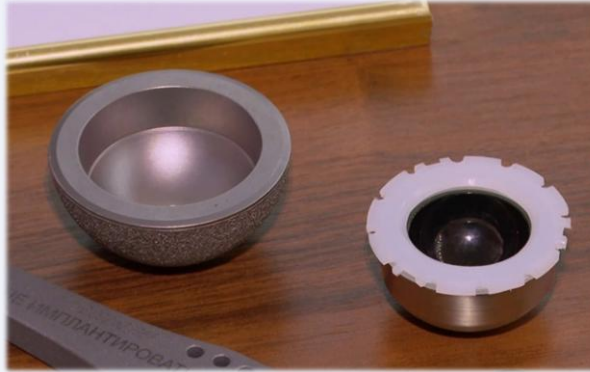

# Research

- Computer engineering
- Supercomputer simulation
- Digital information processing
- Cybernetics
- Computation systems
- Data measuring

- Biomedicine
- Medical cybernetics
- Cardiology
- Endoprosthesis
- Pharmacy
- Physical training

- Contemporary journalism
- Applied linguistics
- History and archaeology
- Psychology
- Social studies
